## Composite Single Door Handle/Cylinder Combination

### Technical Details

#### Product

##### Composite Single Door Handle/Cylinder Combination

- Yale's Superior cylinder and Platinum handle combination are accredited with the coveted TS007 3\* BSI Kitemark - the most secure available for composite doors and locks, introduced by the Door and Hardware Federation with the GGF as an answer to vulnerable cylinders.
- The Platinum handle is available in PVD polished chrome and polished gold which are corrosion resistant and made of marine-grade stainless steel - the highest available. The cylinder is Kitemarked to TS007 1\* security and the armoured Platinum handle to TS007 2\*, giving the door/lock combination the 3\* standard.
